SMOKE DETECTOR

Smoke Detection

The Smoke Detector is designed for use in commercial and residential applications. The device requires hardwired 110VAC 60Hz power (220VAC 50 Hz optional). Up to 6 devices can be connected together and report to one Sensaphone zone. A 90dBA audible horn is included. The 110 model includes battery backup. This smoke detector can be used with all Sensaphone models.
